Drop off and Pick Ups

Please be aware that supervision in the mornings is from 8.40am, children arriving before this time should only be doing so to attend breakfast club.

Make sure you are here on time to pick up your child as staff have classes/meetings/clubs to attend.

Can all parents make arrangements with their children before school about who is collecting them. Frequently we receive phone calls about children having to go somewhere else. The office is only in operation on Monday & Fridays and we cannot guarantee that your call/message will not get passed on.

Internet Safety

Parents I hope you found the information sheet helpful in the lead up to Safer Internet Day. Please make sure you monitor what your child is doing online and **NO** chat groups/social media groups should be set up with the school name involved.

Medicine in School

If your child is unwell and they require medicine during the school day you must complete a form in school and send in the medication clearly labelled with their name and dosage. This form may be downloaded from the school website

NSPCC- Number Day

Thank you all so much for providing buns and supporting our Numeracy day. It was extremely successful and it is always nice to have parents into school. We raised £200.
